

Accessing GIS or the National Map

New ArcGIS.com users

Navigate to <https://www.arcgis.com/index.html>  (<https://www.arcgis.com/index.html>). If you do not have an account, or need your password reset, please email me (kdiaz@valleycollege.edu (<mailto:kdiaz@valleycollege.edu>)).

Existing ArcGIS.com users & GIS License Holders

If you already have an arcgis.com account, you do not need to create a new one. Simply sign in at <https://www.arcgis.com/index.html>  (<https://www.arcgis.com/index.html>) or use pro software.

Once you are signed in, follow the assignment instructions to start making your map.

Alternative Website

Struggling with getting signed in to ArcGIS and want to complete my course? You can achieve a similar product by using the National Map Viewer. Open this website: <https://www.usgs.gov/programs/national-geospatial-program/national-map>  (<https://www.usgs.gov/programs/national-geospatial-program/national-map>). Then click "Make My Web

Map" which will open the National Map Viewer. You will know the website has loaded when you see the green toolbar.
